Upcoming Roadwork in Rosedale Fixing the Depression by the Manhole near the Club

On 3/18 Manatee County public works patched a sanitary sewer line leak near the manhole cover on 87th St E just South of the speed bumps.

They are scheduled to repair the depression in the roadbed (that was due to the leak) by applying fresh asphalt on either Thursday 3/20 or Friday 3/21. Please avoid this area, if possible, and use caution where workers are present.

Note also that the county has subcontracted to have several other manholes and sewer lines in Rosedale cleaned and spray coated inside to eliminate leaks. This process started last week and is expected to continue over the next several weeks.
